**\*\*All class placement requires staff assistance. Teacher/Administrative approval is required for many styles and levels of classes. Please consult the studio for placement. Many dance styles require more than one year within a level. Consult website for rates, tuition policy, and dress code requirements. Ages are used as a guideline. Class placement may also be based on experience, and NOT because your friend is in the class. Ballet 2B-5 requires you to take (2) Ballet classes per week, no exceptions.**
